Nathan BROWN, Rev.

Notes

Nathan Brown, our third great grandfather was born December 1st in the year of our Lord 1761 as recorded in the Brown-Lott Family Bible. By 1781 the Colonies were engaged in a war with the Mother Country to gain their independence from England. Not yet twenty years of age Nathan began his service with Capt. Charles Nelsons Company of Militia, Benjamin Waits Battalion in the State of Vermont acording to the payrolls on file in the Office of the Adjutant General of Vermont. At some point in time Nathan became a Minister of the Gospel in the Methodist Episcopal Church. On the 13 of Dec. 1784 Nathan and Margaret Simpson were united in marriage, probably in the state of Vermont. They became the parents of thirteen children. The first two, Henry, born in 1785 and Zephaniah, in 1787 were born in Vermont. Sometime between Feb. 1787 and Sept. 1788 Nathan and Margaret with their two little ones moved to New York State settling on the East side of Cayuga Lake. The remainder of their children, John, Jeremiah, Mary, Johanna, Hester, Simpson, Reuben, our second great grandfather, Isaac, Violetta, Minerva and Nathan T. were born there. Within the next few years after July 1809 the family removed to Jackson County, Ohio. There the children married some moving on to Indianna and farther west. Then on the 15th of April 1837 Margaret Simpson Brown died at the age of 71 years. Seven years later on 22 February 1844 Rev. Nathan Brown entered eternal rest and both were buried in the Woodson Cemetery at Wellston, Jackson County, Ohio.

Dear Researcher:

date Jan 26, 06

Thank you for the research fee you have sent to our office. We are pleased to send you the results of work completed by our office. The sources used are checked from the list below. This fee covers copying of a Brown file only no research. The 7 files we had after reviewing them (1 hour) had scant information. No relationship established.

___✓ Census records
___✓ Newspaper abstracts
___ Storke's History of Cayuga County 1889
___ French's Gazetteer 1861
___ 1853 Maps of Cayuga County
___ Published Town Histories if applicable
___ Family files
___ Early wills of Cayuga County 1799 – 1842
___ Other local histories
___ Church records
___ Published genealogies
___ Auburn City Directories 1857-present
___ Cemetery records for Cayuga County

The above sources are used in the initial research. We are also willing to obtain copies of wills, deeds, and other records located in separate county repositories for an additional fee and copy costs.

Note: I went ahead as the 7 Brown files contained only the Pa. information pertaining to Nathan
If you wish the rest of the items completed above please send addional Research fee.

Sincerely,

Laurel Auchampaugh

Dear Shirley:

We do have some information on Nathan Brown.

Early Census records and abstracts from Pennsylvania records which show him and others Browns listed. David, enos, Ezekial, 3 James, NATHAN , Obadiah, 2 Samuels, Thaomas and Walter Brown are all listed.

I cannot determine the relationship of these families without further research .

There are some 7 Brown family files, and each must be reviewed.

If you wish me to do the research for you, the fee was set by the Cayuga County Legislature .for $30 for 2 hours of research.

If you wish this service, your check for $30 should be made out to:

The Cayuga County Historians office
157 Genesee Street
Auburn , New York 13021
Att. Laurel Auchampaugh

On the memo line, please write Nathan Brown Research.

In this way, the work order will be expediated to me and i can begin the research.

Sincerely
Laurel Auchampaugh

Nathan was listed as a son? Wills are good to solidify family connections.

Here's a little bit of what we know so far about Simpson Brown and his wife.

BROWN, Simpson
born 1799, Lick Twp, Jackson Co., Ohio, son of Nathan Brown & Margaret Simpson. He was married at least twice. First to Elizabeth xxx before 1840 probably in Jackson Co. Ohio. His first wife died 6 Apr 1841 in Hocking County, Ohio, age 43 years. She is buried in the Brown cemetery in Hocking County, Ohio. He married second to Charlotte Beck on 24 Feb 1842 in Hocking County, Ohio. He died about March 19, 1876, and is buried in the Brookston IOOF Cemetery, plot 2-9. He has two stones, the first he is listed with his second wife as follows, "BROWN, Simpson 1799-1876" Behind the large stone is a smaller one, "FATHER S. B."

BROWN, Charlotte (Beck), born 1814, location unknown, parents unknown. She married Simpson Brown 24 Feb 1842 in Hocking County, Ohio. She died in 1896. She's on my list to look up death records in White County, Indiana. She is buried in the Brookston IOOF Cemetery plot 2-9. She also has two stones. She is listed with her husband on the large one, "BROWN, Charlotte, his wife, 1814-1896" South of the large one is a little stone, "MOTHER C.B."

Here's a list of other people connected to Simpson Brown, who are buried here which I have further info on, if you are interested. Let me know if you want further information on them, and I will send it to you.

BROWN, Arthur James- son of John V. Brown & Charlotte H. Warner
BROWN, Charlotte H (Warner)--wife of John V. Brown
BROWN, Frank M.--son of John V. Brown & Charlotte H. Warner
BROWN, John V.--son of Simpson Brown & Charlotte Beck
BROWN, Simpson J.--son of Simpson Brown & Charlotte Beck

Hope this helps some-

Dear Erin,
Were you aware that Simpson Brown and his wife, Charlotte Beck were both buried in the Brookston IOOF Cemetery, as well as their son, John V. Brown, and his wife, Charlotte H. Warner? They are in plot 2-9, and have stones.

About the church there in Round Grove Twp, contact Jo Ann Guntrip, she knows the area very well and could probably tell you most anything you need.
guntripja@aol.com

Jo Ann and I are compiling information about people buried in the Brookston IOOF Cemetery that will be published later. We haven't run across a burial entry for a son named, Nathan, but we are just now starting to go through the deaths records for White County, Indiana.

Just a thought, but have you looked for a will or probate record for Simpson Brown to see if your supposed ancestor,

Roena,

I refer to this as "MY MOTH EATEN SAGA OF THE BROWN FAMILY " aka "Tracking Mehitabel" To this point, my research is certainly full of holes !!

To me, the best part of research is looking for and finding clues. The worst part is typing data in coherent fashion for others to follow. So please bear with me as I explain my progression.

My BROWN story begins ; For years, we thought my gr.,gr.,gr.,grandmother Wheeler's maiden name was Hestor Hendrickson. This line of the family was at a dead end as no-one ever could find any reference to her. A couple year ago, a distant cousin sent me a copy of a death certificate indicating the elusive Hestor was in reality, HETTIE BROWN. There began a search for Hestor/Hettie Brown. No luck - until - I ran across a marriage license in Hocking Co., Oh for James Wheeler and HETIBUL BROWN -1839. This put her birthdate before 1820, eliminating any census record, so I would have to find her in a will - again - no luck. The only other Wheeler name I had was from a tintype with Uncle Simpson Wheeler on it. Again, no luck, have yet to find a Simpson Wheeler. BUT I did find a SIMPSON BROWN ! He was listed in Jackson Co.,Oh in 1820 & 1830/40 census in Hocking Co. I finally found copies of the death record for Hettie Wheeler and she was born in 9/11/1820 in Jackson Co., Oh. That was my only link between Hetibul and Simpson Brown. I have not found his will-yet- but he is listed as SAMPSON in the 1850 census. in Hocking Co. The search continued to Jackson Co.,O, where I found ½ a dozen BROWN wills. Among them, one for Rev. Nathan Brown- but it named only one child, Isaac, out of 13. AND THIS IS WHERE I RAN ACROSS YOUR NAME with ties to Reuben, Since Nathan, Simpson, Isaac, and Reuben were all born in NY. chances are, they belong in the same family. The other Jackson Co., Browns are from Va. and the Hocking Co Brown family from Germany. On checking any info on the Browns from NY., I discovered that "MEHITABEL" is a very popular Brown female name. Ergo : I have tracked Hestor to Hettie to Hetibul to MEHITABEL !!

Enclosed find the BROWN FAMILY from Southold, NY. I think that its possible "Rev.Nathan" Brown belongs in the Richard IV family. The only clue being the name HAWKE. When Simpson came to Jackson Co,O., he purchased land from Abraham HAWKE.

PLEASE NOTE THAT I MAKE COPIES FROM A FAX MACHINE. THEY ARE NOT RECOMMENDED FOR LONG TERM USE. YOU MAY ALREADY HAVE MOST OF THIS INFO. Hope you can follow my logic on the next page, even with all the "holes".

Happy Hunting

State of Vermont } District of Addison }ss On this 17th day of September AD 1832, personally appeared in open Court before the Probate Court for the District of Addison, now sitting, Nathan Brown of Bristol in the County of Addison (having resided for a few years past a part of the time with his children in Essex County, New York, having no family of his own; but calling his residence at Bristol aforesaid) aged sixty seven years, last Novr. who being first duly sworn according to law, doth on his oath make the following declaration in order to obtain the benefit of the act of Congress passed June 7, 1832. - That he entered the service of the United States under the following named officers, and served as herein stated. -

In the month of March 1781, being the spring before Cornwallis was taken, at Norfolk in the County of Litchfield & State of Connecticut, I enlisted for the term of one year, in a company commanded by Captain Matthew Smith of ~~the~~ Goshen in the same County, in a regiment, composed of two battalions; - the one to which I was attached was commanded by Major Whiting - the other by Major Shipman, - I do not recollect that there was any Colonel - the brigade was commanded by General Waterbury of the Connecticut State troops. - We were stationed at Stamford, Connecticut, near Horseneck.

the forepart of the month of June of that year, I was on guard with a Sargeants guard, between Stanford & Horseneck, at Setus's bridge, when we were surprised by a party of British & Refugee horsemen, under the Capt. Knap of Horseneck, and taken prisoner, and carried to New York, and confined in the Sugar House for about six weeks. When I & one other of our guard were exchanged. And when I returned to my regiment, they were stationed at White Plains near New York. When I went to White Plains, a part of the American Army were stationed there - & I particularly recollect the troops under the command of General a French Genl, who I always supposed to be La Fayette, whom I saw frequently. Not long after the Continental troops were withdrawn - and I do not recollect that any troops were left there except the corps of Connecticut State troops, to which I belonged. About the last of August or first of September, as near as I can recollect we returned to Horseneck, and then to Stanford, where we remained until the period of my enlistment expired; and I was discharged at that place, after having served the full period of one year, in the month of March 1782.

While Stationed at Stamford our troops were employed in building a fort there - which the troops called Mud Fort - whether it had any other name I know not.

I was born, as I understand in the town of Lebanon, in a Parish called Lebanon Crank, November 12th on the year 1764. Before my recollection my parents removed to Norfolk aforesaid. The only record of my age, which I ever knew, was kept by my Father in his family bible; which I have not seen for many years. I resided in Norfolk during the war, & until eight or ten years after the war, - thence I removed into Winchester an adjoining town, & remained there one or two years - and thence about thirty eight years ago, I removed to Bristol, Addison County Vermont, - where I have since resided, except for a short time at Middlebury, Vermont, & in Essex County, New York with different children, since the death of my wife. - I had no discharge, when I left the army; but when I received my pay, some time after, from Captain Smith, under whom I served, at Goshen, Connecticut, he gave me a discharge & recommendation; which I carried home, & put it with my father's writings, and do not recollect to have seen it since. - I have no documentary evidence of my said service, and I now know of no person living who can testify positively to my service, - nor am I now able to produce any proof of my said service, except the annexed affidavits. - After the passing of the act of 18 March 1818, I made application for a pension under that act, and to support my claim, I obtained the affidavit of Adam White Esq. then of Danville Vermont, who has since died, and I have no knowledge what has become of his affidavit. Said White served in the same company, and testified to my whole service as above stated. -

And the said Nathan Brown hereby relinquishes every claim whatever to a pension or annuity except the present, and declares that his name is not on the pension roll of the agency of any State.

Sworn to & subscribed the day & year aforesaid, Nathan Brown

Saml. Swift, Judge

State of Vermont } On this 17th day of September 1832, before
District of Addison } the Probate Court for said District of Addison, personally appeared Nathan Case of Middlebury in said District, and being duly sworn deposes & says, that I resided in the town of Norfolk, County of Litchfield, Connecticut during the Revolutionary war; and was there well acquainted with Nathan Brown, who has made and signed the foregoing declaration; he lived in the same neighborhood & went to the same school — I enlisted in the army in the summer of 1780 — and continued until January 1782, during all which time I was absent from home — I recollect distinctly that I then learned, and have ever since understood, that the said Brown enlisted & served in the Connecticut State troops for the term of one year; — that he served at or near Horseneck — that while in the service, he was taken prisoner by the British, and detained for some time: — I also understood that he served under Capt. Smith, with whom I was acquainted. One circumstance, which induces me to recollect some of the above particulars more distinctly, is that another school-mate, was killed in the service, who was said to belong to the same company: — I have no distinct recollection of the time he entered the service — but recollect, that it was while I was from home in the army. —

And I further depose and say that some time after the passage of the act of Congress of 18 March 1818, Ira White Esquire, then living in Danville in the County of Caledonia Vermont, appeared before me, a Justice of the peace for said County of Addison, and made his affidavit, under oath, stating that he served in the same company & for the same period, that the said Brown served — and knew that said Brown served in the company & for period for one year above mentioned. The said White has since died. — Nathan Case

Sworn to & subscribed the day & year aforesaid.

Saml. Swift, Judge

State of Vermont } On this 17th day of September 1832, before the
Addison County } Probate Court for said District personally

appeared Eliphalet Mason of Bristol in the County of Addison, and being duly sworn, deposes & says - That during the Revolutionary war, I resided in the town of Norfolk, County of Litchfield, Connecticut - I was then well acquainted with Nathan Brown, who has subscribed and sworn to the foregoing declaration; and who then resided in the same neighbourhood & went to the same school. I well recollect, that the said Nathan Brown went into the service of the United States, the same year that Cornwallis was taken - I then understood that he enlisted for & served one year, - After his return, I understood he had been taken prisoner & detained a prisoner for some time by the British - and that another young man, by the name of Ozny Norton who I understood went out in the same company & was killed in the service. - I was then only twelve or thirteen years of age, - and although I well recollect the prominent facts above mentioned, - I am not able to recollect, that I ever knew, under what officer he served or at what place - but think I understood he was taken prisoner at or near Horseneck. -

Sworn to & subscribed the day & year aforesaid,

Eliphalet Mason

Saml. Swift, Judge

State of Vermont } On this 17th day of September 1832, before
District of Addison } the Probate Court for the said District of Addison

personally appeared Riley Adams, of Bristol in the County of Addison and being duly sworn, deposes & says - That I resided in the town of Norfolk, County of Litchfield, Connecticut, during the Revolutionary War - And Nathan Brown, who has subscribed & sworn to the preceding declaration, resided at that time in the same neighbourhood, & went to the same school. - I well recollect, that the said Nathan Brown enlisted into the

army, toward the latter part of the war, for one year, and served as I understood for that period. His officers I do not recollect. — I recollect, that while he was in the army, he returned home on a furlough — And I well recollect when he returned after his time had expired, and conversed with him in relation to his service; and he then informed me, that he had been taken prisoner, and the circumstances attending it. — I recollect also, that intelligence of this fact reached his friends while he was a prisoner, and I heard his father state the fact, and he appeared to be much affected by it. —

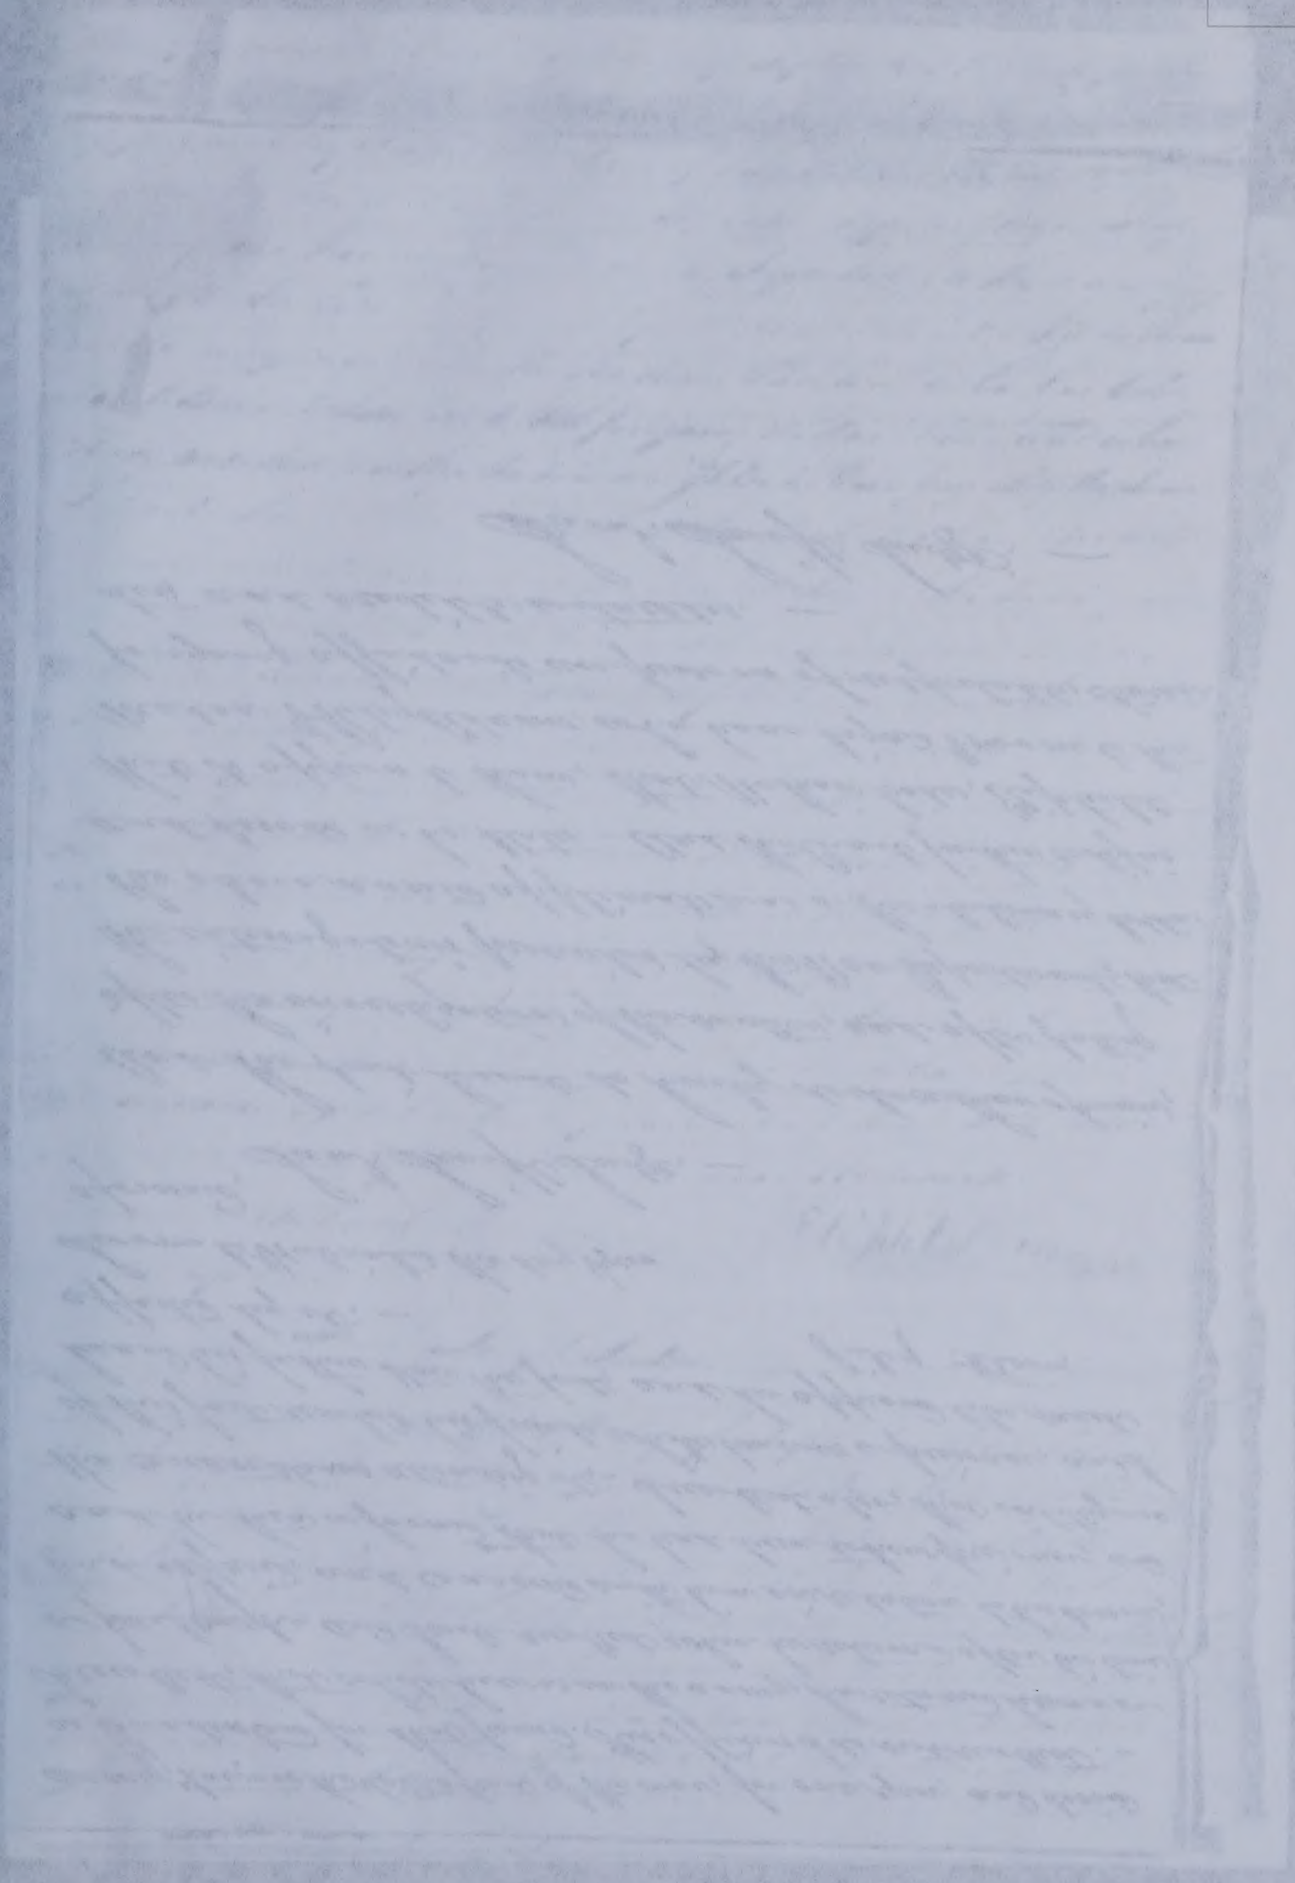
Riley Adams.

Sworn to & subscribed the day & year aforesaid,

Saml. Swift, Judge. —

And the said Court do hereby declare their opinion, after the investigation of the matter, and after putting the interrogatories prescribed by the War Department, that the above named applicant was a Revolutionary soldier and served as he states. — And the Court further certifies that it appears to them, that Nathan Cole, Eliphalet Mason & Riley Adams, who have signed & sworn to the foregoing affidavits are persons of respectable character, and credible witnesses. —

Saml. Swift, Judge. —



[illegible] Register of the Probate Court for the said District of Addison, do hereby certify that the foregoing contains the original proceedings of the said Court, in the matter of the application of Nathan Brown for a pension.

In testimony whereof I have hereunto set my hand and affixed the Seal of said Court this 17th day of September A.D. 1832.

Suffolk County SS.

Be it remembered that on the twelfth day of October, one thousand seven hundred and fifty-six personally came and appeared before me Maltby Gelstone, Surrogate of the said County, Elijah Brown of said County Yeoman and being duly sworn on his oath declared that he did see David Brown sign and seal the within written Instrument, purporting to be the will of the said David Brown bearing date the 15th day of September, 1756, and heard him publish and declare the same to be and contain the last will and testament that, at the

time thereof he, the said David Brown was of sound, disposing mind and memory to the best of the knowledge and belief of him the dependent, and that his name subscribed to the said will is of his proper hand writing which he subscribed as a witness to the said will in Testators presence And that he the dependent saw Daniel Howell and James Reeve of said County the other witnesses to the said subscribe their names as witnesses thereto in the Testators presence.

Maltby Gelston, Surrogate

Sir Charles Hardy Knight, Captain General and Governor in Chief in and over the province of New York and the territories depending thereon in America and Vice Admiral of the same. To all to whom these presents shall come or may concern Greetings.

Know ye that at Suffolk County on the 12th day of October last Maltby Gelston, Esq. being thereunto delegated and appointed. The last Will and testament of David Brown, deceased (a copy whereof is hereunto annexed) was proved and now approved and allowed by me, the said deceased, having whilst he died had at the time of his death Goods, Chattels, and Credits within this province by means whereof the proving and registering the said will and the granting administration of all and singular the said Goods, Chattels and Credits and also auditing, allowing and final discharging the account thereof doth belong unto me and that administration of all and singular the Goods, Chattels, and Credits of the said deceased and any way concerning his will was granted unto Thomas Brown and Reuben Brown, the Executors in the said will named being first sworn well and faithfully to administer the same and to make and exhibit a true and perfect inventory of all and singular the said Goods, Chattels, and Credits and also to render a just and true account thereof when thereunto required. . . .

In testimony whereof I have caused the prerogative seal of the province of New York to be hereunto affixed the third day of January, one thousand seven hundred and fifty-seven.

4 David BROWN* b: 17 March 1694/95 Southold, NY d: Abt 03 January 1757 Note:David Brown we find was born 3 17 1695, and the daughter Mary's probably birth is in keeping with David Luse's estimated birth, but more likely as a second wife. Reuben was naturally named an executor for his father, as David, Walter and Obadiah were the three Browns who were is Chester, New Jersey. We have noticed that these three brothers adjoin David Luse, and work together with David Luse in purchasing the property from John Shinn, and in moving to Chester. We do not find any of the Luse and Brown children intermarring, which is a fair sign that the Luse children and the Brown children were 1st cousins. When Captain Walter Brown moved to Union Brick near Blairstown, two of the Luse children followed and bought adjoining farms, and again no intermarrying. Our conclusion is, both as to the Brown family as well as the Luse, that Mrs Mary Luse and David, Walter and Obadiah Brown who are known to be in Chester, are all members of the family of David Brown of Southold, although this outline of the Browns is not in accordance with previous publications. The Browns would trace back to Willian Brown born 1659: to Lieut Richard Brown and Hannah King: to William Kinge and Dorothy Hayne of Salem, MA and who were married in Sherborne, Dorsetshire, ENG Feb 17, 1617. (Pioneer Families of Northwestern New Jersey, By William C Armstrong p1979)

being thereunto delegated and appointed the last will and testament of Sarah Vail deceased (a copy whereof is hereunto annexed), was proved and now approved and allowed of by me. And that administration of all and singular the Goods, Chattels and Credits of the said deceased and any way concerning her will was granted unto Thomas Vail, one of the Executors in the said will named, being first affirmed well and faithfully to administer the same and to make and exhibit a true and perfect inventory of all and singular the said Goods, Chattels and Credits and also to render a just and true account thereof when thereunto required.

Dear Resource Administrator,

I am searching for a copy of the Will of David Brown of Southold , NY, born March 17, 1695. So far my searches have not located the Will but it has led me to the City of New York. There is a record that the Will of David Brown, dated September 15, 1756, sworn to on October 12, 1756, was proved January 3, 1757. This source indicates said Will is recorded in (Liber 20, P. 179, *N.Y. City Wills*).

I am attempting to prove that Walter Brown, born circa 1722-27, is the son of David Brown.

Your assistance in this search will be greatly appreciated. Included is a check for $15.00.

Carl,

I agree with your assessment of the Brown/Luce relationship. Marrying between the two families is rather evident as David Brown's daughter Mary (sister of Walter) became a Luce in marriage. With the knowledge that there is a definite tie between the two families it might add speculation that would be worth following up on that the Israel Luce (about the same age as Nathan) was living on Nathan Brown's land at the time of the 1800 census and later purchased 50 acres of land from Nathan on May 15,1799, is probably a relative (cousin) of Nathan's and also related to Mary Luce (Brown). Mary is Nathan's Aunt.
All these little nuggets help to strengthen Nathan's tie to his father Walter.

Roena,

This past week I went on a tour to Lancaster to see "In the Beginning" at Sight and Sound theater. Also saw "Psalms of David" at another theater and at the American theater "Best of Broadway". We ate at an Amish home. Their gardens are beautiful...no weeds and so healthy. Our step on guide said that area is one of the most -prolific in the country. I believe it.

Our guide was Nancy Bachman, and when I asked if she had been to White Chimmneys, she said Sam S was a relative. I had her write down her geneology and this is what she said Mother= Helen Eager Eckman, father, Sanford E. Eckman= from him Sue Pickel and Geo W. E Eckman. Would we be related to them.? her email is ebach14252@aol.com. She lives in Strasburg.

Mike asked me today if I wanted to go to Angola with him. He mentioned that his boys would like to go on a trip with me, so I might be showing up some time. They play baseball so doubt if this year, but maybe.....I thought Gettysburg is a great place and not too far for me to drive.

I think he was kinda thinking I take everyone else....actually took Christine, her 2 girls to Chicago for all day on Friday. We got home about 2:45 A.M. Saturday. We took an evening river cruise......guess who stayed awake all the way home? This year hit 75, but still can't catch up with you.!

The Culler reunion is Saturday night. I have to work at Sauder Village during the day. I keep busy so I don't get in trouble.

Blessings, Charlotte Culler

Married Doctor Hiding Property, Two Divorces in Williams County, Ohio, 1868-69

(This material is part of a project concerning the divorces in Williams County, Ohio extracted from the Civil and Criminal Court records of the Common Pleas Court.)

By
Pamela Pattison Lash

One reads about physicians today who are accused of "hanky panky" with their patients. This is certainly not a new circumstance as evidenced by this genealogical detailing from the Wms Co, OH Civil and Criminal Court records (Journal 7 - 11 May 1868; Roll 19 case number 84).

Dr. John Kemp, native of England, (1822 - ?) married Lavina W. Parrish (1821 NY - bef 13 Apr 1872) on 26/30 Nov 1844 in Steuben Co, IN. The parentage of both is unknown. The first record of Dr. Kemp in Wms Co is a newspaper article in the fall of 1852 mentioning that John was an E flat cornet player in the original Bryan Band. No one knows how well his musical abilities were but practicing with the band would have afforded him several nights away from his wife. The 1860 Bryan, Pulaski Twp federal census, p37, enumerated the Kemps as John R. 38 EN physician, Lavina 39 Canada East, and Leonard 13 IN. Kemp's office was located at 121 W. Butler St. in Bryan.

On 27 Apr 1868 Lavina petitioned the court for a divorce stating that at diverse times from 1 July 1863 in his office her husband committed adultery with "sundry women unknown to Lavina." On 24 June 1866 and 24 Sept 1866 Dr. Kemp committed adultery with Mrs. Amanda Davis and from this liaison he became a father of a male child born on 24 Mar 1867. Almost a year later on 11 Mar 1868 Kemp left his home with Amanda and the child and eloped for parts unknown. He took a wagon, one cow, books, furniture, and account books plus other provisions and headed to the state of Kansas leaving Lavina with nothing. She also sued lawyer Samuel A. Treat whom she stated was in collusion with Kemp to hide property. Dr. Kemp owned 10 acres of land (NE 1/4 NE 1/4 Sec 21 T6N 3E) and Lot #121 in Bryan. She wanted a reasonable alimony and the real estate.

Lavina called the following witnesses who all attested to her charges: John B. Shouf, Alfred Plummer, David A. Wolf, and Dr. QH Graser. A legal notice of this suit was published in the "Bryan Union Press", Apr 1868. The divorce was granted and Lavina did receive John's real estate.

By the 1870 federal census for Bryan, p34, Lavina W. Parrish, restored to her maiden name, was listed as 49 NY housekeeper living with Ann Moore 24 Baden, a domestic servant; Lavina's son Leonard b. 1847 was not residing there but he may have established a home of his own or he died between 1868-1870. Wms Co, OH Probate (#1500) filed on 13 Apr 1872 showed an estate for Lavina, who had written a will on 6 Jan 1871 in which she left the house and buildings to an adopted daughter Leanora Gilbert, wife of Thomas Gilbert. Lavina's sister, Mary F. Norse of Steuben Co, IN, received $100 to be paid one year after Lavina's death. The First Regular Baptist Church of Bryan was also to receive $100 to be given two years after her death.

The other woman, Amanda Davis, was born Mary Manda Chapman. She had married William M. Davis in Paulding, OH, on 25 May 1862

(Marriages, V2 p23). William filed a divorce action in Wms Co on 16 Oct 1869 according to court records, Journal 7 - Nov 1869, and Roll 21 case number 40. Davis stated that on 24 July 1867 Amanda committed adultery with John R. Kemp and that she left this state for Kansas with Kemp. William did not mention Amanda having a child with Dr. Kemp.

The 1850 Harrison Twp, Paulding Co, OH federal census index showed an Amanda Chapman, age 15, as the daughter of Timothy or Miles Chapman. More research needs to be done there for Amanda's background. Nothing more is known of the principals of this case todate. One does wonder why William Davis waited almost 1 1/2 years after Lavina Kemp received her divorce before he filed for one of his own. Maybe he thought he and his errant wife would reconcile or maybe he found someone else.

A Sly Fox, Divorce in Williams County, Ohio, 1874

By
Pamela Pattison Lash

In the early records of this county a divorce could be obtained more easily if one is the husband seeking to terminate his marriage to an unfaithful wife. The trick seemed to be providing documentation by date, place, and name of third party in the accusations coupled with a large number of witnesses who were willing to testify in court or submit a deposition. Such is the case with this affair.

Ezekiel Fox, son and eldest child of Thomas and Elizabeth Lyon Fox, was born in Knox Co, OH on 30 Jan 1835. Thomas and his family were enumerated in the 1860 NW Twp, Wms Co, OH PO Nettle Lake federal census, p11, as Thomas 49 PA, Elizabeth 44 OH, Ezekiel 25 OH, John 20 OH, and Mary C. 9 OH. The Fox family suffered a loss with the death of Thomas Fox on 4 June 1863 @51Y 8M 2D, who was buried in the Columbia Cemetery. Widow Elizabeth joined her husband on 15 Jan 1878 @62Y 1M 23D.

Ezekiel married Ann Catherine Sickles on 17 May 1862, NW Twp (Marriages V3 p242). Ann b. 6 Dec 1844, Wms Co, OH, was the daughter of John W. and Lydia Fisher Sickles of Steuben Co, IN. Ann Catherine's parents were Ohio natives with John b. 24 Sept 1819, Harrison Co, OH and wife Lydia b. 23 June 1824, Seneca Co, OH. The Sickles married in Hancock Co, OH on 24 Sept 1842 and chose their final resting-place in Mt. Pleasant Cemetery, Steuben Co, IN with John dying on 24 Aug 1892 and Lydia on 22 May 1904. Ann Catherine was the second of nine known children.

Ezekiel and his bride became the parents of son Marion b. 1863. The couple was listed in the 1870 NW Twp federal census, p21, as carpenter Ezekiel 34 OH, Catherine 24 OH, and Marion 7 OH. Next door to them was another young couple, Thomas Fetterhoff 30 OH and his wife Lavina I. Miller 28 OH whom he married in Wms Co on 13 Mar 1859 (Marriages V3 p50) plus their daughter Marilla 10 IN.

On 27 May 1874 (Journal 8 p254; Roll 26 case number 23) Ezekiel Fox appeared at the Williams County, Ohio Civil and Criminal Court requesting a divorce. He provided specific dates when wife Ann Catherine committed adultery with neighbor Thomas Fetterhoff at the Fox home at least five times between 10 Jan 1872 - 8 July 1872 when Ann left the home and fled someplace in Henry Co, OH. After listening to the testimony the court granted a divorce. An interesting fact from the case showed the marriage date of Ezekiel and Ann Catherine as 19 May 1861, which conflicted with the marriage record cited above. It also seemed that Ezekiel would wait two years before requesting a divorce after Ann abandoned her home, but the puzzle cleared up when one learns that Ezekiel had another bride in mind in the form of Almeda Russell whom he married after the divorce in 1874.

The Fox family was listed in the 1880 NW Twp federal census, p430C, as Ezekiel 45 OH, Almeda L. 36 IN-PA-CT, and son Frances T. 3 OH, who was born on 25 Jan 1877, Florence Twp (Births V1 p102). Almeda b. 1844 IN, parentage unknown, survived her husband who died on 7 Jan 1910, NW Twp, and was buried in an unmarked grave in Columbia Cemetery. His obituary which appeared in the "Bryan Democrat", 18 Jan 1910, p4, mentioned that he came here in 1853 and "was a good man, a good citizen, and a man of sound judgement and honest purpose."

Ezekiel as of 1887 was VP of the NW Twp Early Settlers to Williams County Association and owned land in Section 22 of NW Twp. His son Marion went out west and nothing more is known of him. Ex-wife Ann Catherine married William Terpenning. She later died in Morenci, Lenawee Co, MI on 14 Nov 1917 and was buried in the Canandaigua Cemetery. Nothing further is known of her.

Runaway Groom, No Divorce in Williams County, Ohio, 1885

By Pamela Pattison Lash

Not much is known of the principals in this case but the story is touching. Ellen Bash married Joseph Long on 2 April 1881 (no site stated). She went to the Williams County, Ohio Civil and Criminal Court (Journal 12 p265 - 12 Apr 1884; Journal 13 p66 - 16 Mar 1885; Roll 40 case number 1223 - 5 Nov 1883) requesting a divorce and the restoration of her maiden name. In her request Ellen told the court that immediately after the marriage ceremony, even though he had pledged life-long fidelity to this marriage, Joseph departed from the room, had been absent for close to three years, had neglected her, and had refused to cohabitate ever. The big problem was that a child was born to the couple. Ellen was compelled to ask for public charity and she lived at the county infirmary where the child was born and subsequently died. Ellen could not provide for herself due to impaired health and a delicate condition involving this pregnancy. The defendant, Joseph Long, knew all this.

Ellen filed the divorce in 1883, the case was continued in 1884, and it appears the court dismissed her petition in 1885. This is interpreted as no divorce.

What happened to Ellen Bash Long or her runaway groom is not currently known. There was a Joseph Homer Long, son of George and Nancy Van Vleet Long, in the 1880 Mark Center, Defiance Co, OH federal census, p194D. He was born 24 Feb 1854, and could be the candidate for the runaway groom. In the 1860 Farmer, Defiance Co, OH federal census, p86, there was an Ellen Bash 6 OH living with Philip Silders and wife Hannah.

Please Welcome Wendy Theehs. I received this email from her:

Hello!

I am so excited I found your Family Tree website!

I am the great-granddaughter of Jacob W. and Grace Langdon Reid, whom you mention on your site. I know lots about Grace's parents, Lyman Langdon and Fanny Maria Sanford, who were pioneers of Defiance, Ohio. But I have had some trouble trying to figure out Jacob W. Reid's parents. No longer! You have clarified a lot!

Apparently our families were very intertwined. I have a scrapbook of Grace's that has layers and layers of clippings in it. In there I have found Capt. John Partee's obituaries (there were several obituaries/articles about him, which you probably have as well.) There are many other mentions of various Partees, including Daniel E. Partee and his wife (Jacob's sister), Mary, who's obituary I have as well.

I am trying to make sense of all the information you have listed. (Boy! You sure have been busy assembling so much wonderful information!) I don't quite understand the connection of the Brown's in your family tree. You mention so many! Are they all related? One of them, Joanna Brown Reid, is Jacob & Mary's mother. But how does she tie in to the others? Is she related to Nancy Brown, Capt. John Partee's wife? I will have to keep pouring over your site -- there are just so many names, and so much info, it takes a while for it all to sink in.

I would love to hear back from you if you get the chance.

Thank you so much for sharing your information!

Wendy (Reid) Theehs

KEY TO LISTINGS

The accompanying data contains five columns of information for each entry. Occasionally there is a second line that provides a short biographical notation.

First, all NAMES are listed alphabetically by surname and, most generally, as spelled in the documents. A few surnames were standardized when it appeared that similar spellings of the same name would facilitate identification. In those instances where a name was changed, the original spelling is shown on the second line. Also, abbreviated first names in the documents are spelled in full. Standard abbreviations have been used for the titles of Captain (Capt), Colonel (Col), Doctor (Dr), Esquire (Esq), Lieutenant (Lt), Sergeant (Sgt), Senior (Sr), and Junior (Jr).

The second column of information is the YEAR of the record.

In the third column is the individual's place of RESIDENCE at that time.

The fourth column describes the PURPOSE of the record with an associated numerical value when given. Two alphabetical characters are used as abbreviations for the following:

AF = Affidavit
AP = Age at Present
BG = Biographical
CL = Children Listed
CN = Census
DE = Death
HS = Household Size
LG = Land Grant
LO = Land Owner
MA = Marriage
MI = Migrated In
ML = Military List
PA = Power of Attorney
PN = Petition
RI = Rioter
RS = Resident

The numbers accompanying the above abbreviations designate present age (AP), number of children listed (CL), size of household (HS), acreage owned (LO), and petition number (PN, PA).

Fifth, and the last column is the SOURCE of information. The first six characters enable identification of the source in the bibliography section. The digits following the colon refer to the page number of the specified documents.

Accordingly, the format is as follows:

NAME	YEAR OF RECORD	RESIDENCE	PURPOSE	SOURCE

Reuben Brown
b 22 Jun 1797/8 NY
m 2 Apr. 1818 OH (Jack Co OH)
d 5 Jun 1875 Def. Co. OH

JACKSON, OHIO

lessees. Many of them had purchased lands in Franklin in order to be freeholders, and claimed their residence there. This is the only explanation that can be offered for the action of so many Lick men voting in Franklin.

MADISON—The election of this township was held at the house of Jacob Moler, which stood near the site of Madison Furnace. The officers were: Judges, Jacob Moler, William H. C. Jenkins and John Atkinson and Clerks, John Horton and Jeremiah Callahan.

Twenty-one electors participated, Samuel Radabaugh being the first to vote. The others were: George Radabaugh, John Callahan, Sr., Henry Radabaugh, William Comer, Robert Taylor, Benjamin Arthur, Lewis Adkins, Sr., Joel Arthur, Amos Arthur, John Horton, Jacob Moler, John Atkinson, William H. C. Jenkins, Elijah Delano, John Shoemaker, Joseph Pauley, Jeremiah Callahan, Jeremiah Roach, Lewis Adkins, Jr., Jesse Radabaugh.

The returns were taken to Jackson by Jacob Moler. This gentleman was for years the leading citizen of Madison, and the family of Aaron McLaughlin are connected with him. William H. C. Jenkins was another of the leading men. Cyrus Jenkins of Bloomfield is one of his sons. The Radabaughs are all gone from Madison, but William, of that name, is living in the old Arthur schoolhouse, which stands on ground formerly a part of Madison. Some of the descendants of Jeremiah Roach still live in the township, and a namesake lives in Wellston. John Horton's descendants are numerous in Jefferson.

* MILTON—The officers were George Martin, John Baccus and George Burris, Judges, and Joshua Scurlock and John Crouch, Clerks. There were forty-two votes cast, the first by Austin Palmer. The others were cast by Andrew Frasure, Peleg Potter, Charles Ratcliff, Joseph Crouch, John Phillips, Thomas Phillips, William Crow, John Baccus, George Martin, George Burris, Patrick Shearer, Joshua Scurlock, John Crouch, James Stephenson, William Burris, Reuben Rickabaugh, Drury Bondurant, William Delay, William Bass, Jonathan Delay, William Craig, Cuthbert Vinson, John Snuke, Robert Howard, James Dempsey, Joshua Rhodes, John Kite, Robert Ward, Jeremiah Brown, Zephaniah Brown, David Paine, Charles Robbins, Adam Althar, Daniel Hollinshead, John Hollinshead, John Delay, Joseph Howard, Jacob Delay, Joseph Crouch, Jr., John Brown and Nathan Brown. The majority, if not all of these men had been citizens of Athens county. Several of them have descendants living in the township and in other parts of this county. Rev. Jacob Delay was perhaps the most widely known The peculiar spelling throughout is that of the poll book.

COUNTING THE VOTES—The returns were all taken to Poplar Row and placed in charge of Judge William Givens. Hugh Poor, David Paine and William Givens had been commissioned by Governor Thomas Worthington, who, it will be remembered, was one of the men that had surveyed Jackson county, as Associate Judges for the new county. Their first meeting, of which there is record, was held at Givens' house on April 6, 1816, to open the election returns and declare the result. The house of Givens stood a little west of the site of Fulton Furnace. This has been disputed, but I make the statement on the authority of James H. Darling and A. F. McCarley. The house was built of logs, but was better than the ordinary log house of the early days, in that it had two stories. This accounts for its selection as the temporary seat of justice. The lower floor consisted of two rooms, while the upper story consisted of one large room, unceiled. All the Judges being present, the votes were counted. Following is the official abstract:

Sheriff—Abraham Welch 119, John Lake 93, Samuel Traxler 1; Welch declared elected.

Commissioner—John Stephenson 114, Emanuel Traxler 108, John Brown 100, Samuel McClure 94, Francis Holland 36, Reuben Long 84, Jesse Watson 21, John Delay 46; Stephenson, Traxler and Brown were the winners.

Coroner—John Gillaspie 84, William Howe 54, Samuel A. Hall 39, David Mitchell 4, Jacob Delay 2; Gillaspie won.

The vote by townships was as follows: Bloomfield 37, Frank-

County---Tarleton and John Woodson. Both names appear in Jefferson's account books: December 19, 1804 shows a purchase of $416 worth of corn from Tarleton Woodson.

Thomas married Jemima Woodson, a mulatto woman six years older than himself, and removed from Greenbrier County to Ross County, Ohio, where he is found at about 1821 listed as a member of the Quinn Chapel African Methodist Episcopal Church.

* Research shows that the first land purchase by black persons in Jackson County was that of Rachel Cassels in 1824. The land was in the east quarter of Section one, Township seven, Range eighteen,and was purchased for $500. Also a deed of purchase for one hundred sixty acres of land from Nathan and Margaret Brown in May of 1829, for $425 is recorded in the Jackson County Court House.

Volume A, page 558 Deed Book "This indenture made this sixteenth day of May in the year of our Lord one thousand eight hundred and twenty-nine between Nathan Brown and Margaret his wife of the County of Hocking and the State of Ohio of the one part and Thomas Woodson of the County of Ross and State..."

This land was in Section 18, Township 9, Range 17, which is in Milton Township near a place called Berlin X Roads---now Roads. This land was a part of a prosperous settlement of colored families, called free-colored.

They had a church, day and Sabbath school of their own. The people cut their harvests, rolled their own logs, and raised their own houses, just as well as though they had been assisted by white friends. They found just as ready and as high a market for their grain and cattle as their white neighbors.

SOMETHING ABOUT BERLIN X ROADS

Berlin is one of the oldest hamlets in the county. It was laid out by Charles Kinnison on April 7, 1845, Oliver N. Tyson being the surveyor, and the acknowledgement of the survey being taken before Justice Newel Braley on April 10, 1845.

Kinnison laid out an addition on October 22, 1849, Beverly Keenan making the survey as deputy of Joseph Hanna, the County Surveyor. The acknowledgement of the survey was made before Judge David Sauvage.

Another addition was laid out by Yancy in 1853 when the British railroad was built, the platting being done March 27, 1853, by County Surveyor Beverly Keenan and the acknowledgement being made before Jacob Delay, Justice of the Peace.

In spite of its age, its two additions and its two railroads, Berlin has not grown much, the population at the last census being only about 300. The census does not give its population but includes it in Milton Township. A part of the population consists of negroes and mixed races. James W.
